3 ARMED MEN ROB LECUYER RURAL STORE

GET SLOT MACHINE AND CASH IN HOLDUP NEAR WAR- NER BRIDGE

SCENE OF MURDER

Store Was Formerly Operated By Howard Kahler, Killed In Robbery

Three young men, armed with revolvers, held up Paul Lecuyer at his general store on Highway 113 near the Warner bridge at 8:30 o'clock last evening. They escaped after stealing a slot machine loaded with coins.

Lecuyer, who also operates a grocery store on North Fifth avenue in this city, was alone in the store when a Buick roadster in which the three rode drove up. Two of the men entered the store and the other remained in the car. After making a pretense to purchase merchandise, the two suddenly drew revolvers and forced Lecuyer to surrender the slot machine and hand over the small amount of money in the cash drawer. Lecuyer denied a report that the thieves secured \$900 in the robbery.

Murder Scene

The store is the same at which Howard Kahler was murdered two years ago when he resisted an attempt at robbery by three Chicago Heights men—Guido Rosatti, Phillip Naisene and Tony Sorenfrei. After a several weeks' search the trio were arrested. They were prosecuted by State's Attorney T. R. Johnston and are now serving life sentences in the Joliet penitentiary, the sentences being passed by Circuit Judge A. W. DeSelm.

Lecuyer did not have a telephone in the store and it was some time before he was able to notify local police of the crime. Chief of Police Stack and Officers Immung and Endre proceeded along Highway 113 in a car in an attempt to intercept the thieves as Lecuyer stated they headed toward Kankakee after the robbery. The officers found no trace of the car.

Did Not Resist

Lecuyer stated that only a few words were uttered by the bandits and that he offered no resistance to their actions, remembering the fate of his predecessor.

Kahler was aroused at 4 o'clock in the morning by the trio who murdered him. They said they wanted to purchase gasoline. After Kahler got on the porch of the store his assailants ordered him to put up his hands and then to open the store. As he reached for his keys, Kahler drew his gun and fired blindly at his attackers. They returned the fire, four bullets entering Kahler's body and he died within a few minutes in his wife's arms. Maltese was wounded in the shooting and he was arrested a few days later in a Chicago Heights hospital.

Baseball Sidelights

New York, Oct. 1.—The New York Sun says today that Joe McCarthy, deposed manager of the Chicago Cubs, has agreed to terms with the New York Yankees and will manage the club next season.

According to the Sun story, which is dated from Philadelphia, McCarthy will receive a salary of \$25,000 a year under a two-year contract covering the seasons of 1930 and 1931. Official announcement of the signing of McCarthy to succeed Bob Sharkey is expected in a few days the Sun says.

McCarthy kept an appointment with Bob Quinn, president of the new management Boston Red Sox in Philadelphia today but turned down the proposition offered by the Boston magnate and accepted Colonel Ruppert's terms.

Shibe Park, Philadelphia, Oct. 1.—President Hoover, accompanied by a large party, including Cabinet Officers, reached the ball park at 1:10 p. m. and was escorted to his box, just off the third base line while the crowd stood and cheered.

The Chief Executive wore a brown suit and hat but no overcoat, although nearly all of the others in his party were well bundled up. The president took his seat in the front row while cameramen swarmed about him.

Chicago, Ill., Oct. 1.—Denied a part in the world series, the Cubs clashed with the White Sox before 32,000 spectators at Comiskey Park today in the first game of the Chicago city series championship. Pat Malone started on the mound for the Cubs and was opposed by Ted Lyons, White Sox ace.

Shaky fielding together with three bunched hits and a walk gave the White Sox a three-run lead in the first inning. Kerr walked, Watwood singled, Reynolds doubled and Jolley came through with another one-base hit. The Cubs loaded the bases in the second on one hit and two walks but failed to score. The third inning also was scoreless for both sides and the White Sox held their three-run advantage.

A. F. "Al" Hattenburg today assumed sole ownership of the Joubert drug shop in the Arcade building. Mr. Hattenburg severed his connections with the Central Pharmacy yesterday and took possession of his new business today.

In the future, the Joubert shop will be known as the Hattenburg Pharmacy. The new owner is one of the most popular businessmen in the city, coming to Kankakee after the World war in 1919. He is an active member of the American Legion and the 40 and 8 Society.

Prescription Work

Mr. Hattenburg is a registered pharmacist and a graduate of Valparaiso university in the class of 1917. He will specialize in the filling of prescriptions in his new store. All work of this nature will receive his personal attention. He will also add considerably to the general merchandise and drug stock of the Joubert establishment. During the war, Mr. Hattenburg was in the hospital and drug dispensary service of the army in France.

L. J. Joubert announced that he is retiring from the business because of ill health, having suffered a slight "stroke" several weeks ago. He also has been one of Kankakee's most popular businessmen and has operated a drug store in this city since 1916. Prior to that time, he was in partnership with O. A. Burdick at Momence for ten years. Before going to Momence, he had a drug store at Manteno for five years and has spent a total of 37 years in the business.

SOUTH BEND WOMAN WOUNDED BY GUNMAN NEAR CHICAGO HGTS.

Chicago Heights, Oct. 1.—(P)—Miss Leona Beck, of South Bend, Ind., was in St. James hospital here today the victim of a gunman's bullet, believed mistakenly delivered.

She and her sister and brother-in-law, Mr. and Mrs. Wayne Abel, with a 6-months-old baby girl, were the targets of a fusillade of shots from an auto which chased them on the Lincoln highway near Dyer, Indiana, last night.

Police believe the shooting was done by gangsters who mistook the Abel car for that of enemies for whom they were waiting.

Abel and his party were on the way to Decatur, Ill., from South Bend. He was ordered to stop by the men in the other car. Suspecting a holdup he accelerated his machine. The shooting followed and Miss Beck was struck.

Without stopping, Abel drove on to the hospital and the pursuing gunmen gave up the chase.

Mrs. Otis Hall and daughter Beatrice of Cabery shopped here yesterday.

Broadway, in Bradley, will continue in operation under the management of his son, Gabriel, who has been associated with his father for the past several years.

States Attorney T. R. Johnston has prepared a large list of cases in which indictments will be sought. Mr. Johnston, however, will be engaged in another matter of litigation set for trial next Monday and Mr. Kurtz will handle the grand jury investigations.

There are now about 20 defendants held in the county jail awaiting action by the grand jury in their cases. Almost the same number have been released on bonds. Matteson Bank Held Up Today

Matteson, Ill., Oct. 1.—(P)—The First State Bank of Matteson was robbed of \$2,300 shortly after 10 o'clock today by four robbers.

One of the robbers waited outside in a car with motor running. The other three entered the bank, covered Secretary W. B. Rea and Assistant cashier Henry Nortier with guns and scooped up the money.

"Stick 'em up! Keep your eyes on the floor and your feet off the buzzers!" One of the robbers commanded.

As the quartet sped away from the bank they fired two shots from the rear of the auto, ostensibly to discourage anyone from taking up their trail. A quarter of a mile north of the city they changed autos.

The abandoned machine bore an Indiana license.

The robbers also took \$24,000 worth of real estate first mortgages. Bank officials said it would be difficult for the robbers to realize anything on the mortgages, although notes were attached to them in most cases.

NEGRO IS LYNCHED IN THE SOUTH

BAND OF MASKED MEN TAKE HIM FROM JAIL AND HANG HIM ON POLE

ALLEGED MURDERER

Was Charged With Slaying Car- terville, Georgia, Chief Of Police

Carterville, Ga., Oct. 1.—(P)—A mob of 45 or 50 masked men took John Will Clark, negro, from the county jail here early today and hanged him to the crossbeam of a telephone pole on the fair grounds a mile away.

Clark, charged with murder of Chief of Police Jenkins, was removed from the custody of the three deputy sheriffs on duty at about one o'clock and taken on his death ride in one of the automobiles of the mob. At dawn local police reported finding the body hanging by a rope from the telephone pole.

A previous effort to lynch Clark was made two weeks ago. National guardsmen were called out and he was then removed to Atlanta for safe keeping, but returned yesterday for trial.

The lynching party came to the jail in nine or ten automobiles. Ten of the men entered the jail office where the deputies were on duty, took the key to Clark's cell, seized their prey, and departed.

"It was all over in five minutes," McCoy said. "We had no time to draw our guns, the men overpowering us as soon as they entered the office."

Clark was taken a few hours after his attorneys had appealed to the higher courts for a change of venue on the grounds he could not obtain a fair trial here.

Shibe Park, Philadelphia, Oct. 1.—(P)—Setting a world's series record, the world's champion Athletics combined Burleigh Grimes for five hits, all for extra bases, and converted them all into runs to beat the St. Louis Cardinals, 5 to 2, in the opening game of the championship battle today, before a crowd of 32,286 fans, including President Hoover.

Although the National League slugged Robert Moses Grove, Southpaw ace of the A's for a total of nine safe hits, they were able to score in only one inning while the world's champions made every hit off Grimes count.

Home runs by Al Simmons and Mickey Cochrane, triples by George Haas and Fox, plus a rousing double by Jimmy Dykes, combined to start the Athletics off triumphantly in their fight to retain the world's baseball championship.

Grove, after a flashy start, was hit hard by the Cardinal clouters, but the southpaw star bore down in the pinches with his fire balls and was saved by some spectacular defensive work, especially by Boley, Bishop and Cochrane.

The A's played and looked like world's champions in every department of the game and were cheered to victory by an enthusiastic home town crowd. President Hoover sat calmly through the entire game, occupying a front row seat back of the first base line, but he Cabinet officers in his big party manifested frequent enthusiasm.

It was a tough battle for the veteran spitball star, Grimes, to lose, but he was unable to check the heavy sluggers of the A's with the result that every long hit they registered meant a run.

The crowd was the biggest that ever saw a world's series game in Philadelphia, the total of 32,286 customers contributing to a "gate" of \$152,735.
